September 1, 2020

Dear Parents,

We hope to be able to resume CCD classes on Sunday, September 27, 2020. Plans are still tentative at this stage however, since we do not yet know how many children will be enrolled and whether parents will be willing to have them attend. What works in our favor is that our parish deals with very small numbers, so I believe maintaining safe distancing and a sanitized environment for that one hour a week can be easily managed.

Please help us begin envisioning what this year's program and arrangements might look like by the following:

1. Decide whether or not you intend to have your child in CCD this year. In light of the reality of the ongoing pandemic this is a decision only you can make.
2. If you think you will – or even *might* – have your child attend CCD, please fill out a registration form and return it either by mailing to the rectory or dropping in the collection basket no later than ***September 19<sup>th</sup>***.  
(Do not send in the registration fee at this time, just in case we are forced to cancel due to lack of interest.)

If you have any questions, suggestions, or concerns please do not hesitate to speak to me or Mrs. Silva. You can email me at [saintanthonywoonsocket@verizon.net](mailto:saintanthonywoonsocket@verizon.net) or call the rectory (766-2640) and we will get in touch with you.

I thank you in advance for your cooperation and patience. May God bless you and your family.
