**CONTINUED SAFETY PRECAUTIONS NEEDED**

Thank you for the generosity and flexibility you have demonstrated as we continue to provide safe ways in which we can worship the Lord here at our church. Please know that the guidelines enacted to prevent the transmission of COVID-19 have worked. The spread of COVID-19 has not been traced to any Catholic church in the State of Rhode Island. This reflects your willingness to follow safe protocols in order to protect fellow parishioners and our community at large. Please remember . . .

- (1) Please come to Mass wearing a mask and continue to sanitize your hands.
- (2) If you are sick—even with the mildest of symptoms—you must stay home.
- (3) This is important: Please always maintain distance of at least six feet between others when you are entering or exiting the church.

Thank you for understanding the importance of these guidelines during this critical time. By these safety measures and the Lord's help, we will get through this together.

*From the Pastor*

Our **Annual Collection** total is at **\$7000. from 52 donations.** Thank you to those who have given thus far. Hopefully, we can again achieve our goal of \$10,000. In this special collection we kindly ask all parishioners to contribute \$100.00 or more according to your means. If you can give a little more to make up for those less able, please do so. Special envelopes were provided in the mailing that went out and there are extras the pews. Your donation may be returned anytime between now and December 31<sup>st</sup>. This collection is a vital component of our parish's financial resources. It is also an excellent way for us to be good *stewards* of the blessings God has first given us – by offering back to Him, in thanks and praise, some of our treasure so that his work may be done. Your gift will help our parish be healthy financially and carry out Christ's ministry here at St. Anthony's.

*Please pray for the success of this appeal. Thank you.*
