Senior Priest Retirement Fund Today

After decades of faithful service, many retired priests continue to serve where they are needed, while others require assisted living or nursing care. Since priests are paid a very modest wage, they cannot rely upon Social Security to make end meet. No longer able to rely upon parishes for basic living needs, senior priests depend on support from this fund. TODAY, September 16-17, our parish will join all parishes throughout the diocese in a special collection in support of the **Priest Retirement Fund**. The collection is also a way of our saying “thank you” for that service. Please consider a generous donation in support of our senior priests. For more information about the senior priest retirement fund, or to make a donation online, please visit www.srpriest.org.
